Today's demonstrations come as the clerical regime, fearing the increase of the people's protests, had stationed herds of Revolutionary Guards, the suppressive State Security Force and anti-riot units around universities and important centers and locations in Tehran and other cities since the early hours of this morning.

[Mrs. Maryam Rajavi](#), the President-elect of the National Council of Resistance of Iran (NCRI), hailed the arisen

students in Tehran and other cities for taking to the streets for the second day. She said, with their slogans against Khamenei and the Revolutionary Guards, they displayed the demand of the Iranian people for the overthrow of the ruling religious dictatorship and the establishment of democracy and popular sovereignty in Iran. Time has come for the international community to acknowledge the reality that the religious fascism ruling Iran does not represent the Iranian people, and recognize the national call for the overthrow of the mullahs, Mrs. Rajavi said.
