WASHINGTON , DC, US, January 13, 2020 /EINPresswire.com/ -- Today the Lincoln Project ([www.lincolnproject.us](http://www.lincolnproject.us)) released its second digital video, "Do Your Job" highlighting the hypocrisy of Senator Cory Gardner (R-Colorado.)

"Cory Gardner is a prime example of the kind of weakness that Republicans show in the face of Donald Trump," said Jennifer Horn, of the Lincoln Project. "As he faces an uphill battle for reelection this year, Senator Gardner has shown he's willing to put the president before the Constitution and his responsibility to the people of Colorado."

"Coloradans, and Americans, deserve leaders who will do what's best for their constituents, who will keep their promises to voters and who will put country over party. So far, Senator Gardner has failed at each of those."

Senator Cory Gardner was first elected in 2014. Statewide polls in Colorado show him down significantly to his likely General Election opponent.

The Lincoln Project is working to defeat Donald Trump and those candidates who have abandoned their constitutional oaths, regardless of party.
