

SMi Group's 6th annual Helicopter Technology Central and Eastern Europe 2020 – Registration opens

SMi Reports: Registration for Helicopter Technology Central and Eastern Europe, in Budapest is now open.

LONDON, UNITED KINGDOM, January 14, 2020 /EINPresswire.com/ -- SMi Group is delighted to announce the return of the [6th annual Helicopter Technology Central and Eastern Europe conference](#), which will commence on 20 – 21 May 2020, in Budapest, Hungary.

Helicopter Technology Central and Eastern Europe 2020 is Europe's leading regional conference focused on helicopter technology, where key military speakers from the military helicopter community will meet and discuss rotary procurement, platform upgrades and modernisation, interoperability, and national defence priorities and capabilities.

Key nations to attend include [Croatia](#), [Czech Republic](#), [Hungary](#), [Poland](#), [Slovakia](#), [Slovenia](#) & [Romania](#).

This year's event will have a strong support from the host nation, Hungarian Forces as well as other senior military experts from the Central and Eastern European region, where confirmed speakers for 2020 includes:

- Brigadier General Jozsef Koller, Commander 86th Helicopter Base, Hungarian Armed Forces
- Brigadier General Robert Klestinec, Slovak Air Force Deputy Commander, Slovak Armed Forces
- Brigadier General Michael Krizanec, Chief of Staff and Deputy CO Air Force, Croatian Air Force
- Air Flotilla General Valerica Vrajescu, Deputy Commander Joint Forces Command, Romanian Armed Forces

For interested parties, there is an early bird saving of £400 for bookings made by 31st January. Register at <http://www.futurehelicopter.co.uk/EINPR1>

Benefits of attending:

The poster features a dark grey header with the text 'HELICOPTER TECHNOLOGY' in large white letters and 'CENTRAL AND EASTERN EUROPE' in smaller blue letters below it. The central image shows two military helicopters in flight against a light blue sky. At the bottom, a dark grey bar contains the text '20 - 21 MAY 2020 | Budapest, Hungary' in white. Below this bar is the website 'www.futurehelicopter.co.uk' and the SMi logo.

Helicopters 2020

- Delegates will have the chance to hear keynote briefings from senior officers from Central and Eastern Europe
- A special focus will be explored on multipurpose helicopter technology and joint force interoperability
- The opportunity to learn from top quality panel discussions involving technical managers and project engineers from established military organisations.
- Informal networking time where delegates are provided insight from peers and colleagues that are currently shaping and influencing regional helicopter programmes

This year's event will also focus on key topics revolving the [modernisation of rotary fleets](#), [weapons development](#), [MRO](#), [SAR capabilities](#), multirole upgrades, combat focused platforms and many more.

The event brochure with the full agenda and speaker line-up will be released soon. Register at <http://www.futurehelicopter.co.uk/EINPR1>
