

# Business Asset Acquisition of MB Kit Systems, Inc. by MB Kit Systems, LLC (A subsidiary of WEISS North America, Inc.)

*MB Kit Systems, LLC. (WEISS North America, Inc.) acquires assets of MB Kit Systems Inc., a mechanical hardware solutions provider for industrial applications.*

WILLOUGHBY, OHIO, UNITED STATES, January 14, 2020 /EINPresswire.com/ -- [MB Kit Systems, LLC.](#) (a subsidiary of [WEISS North America, Inc.](#)) has acquired the assets of MB Kit Systems Inc. (Akron, OH), a provider of custom-engineered mechanical hardware solutions for industrial applications.

This acquisition further strengthens WEISS North America's position in the factory automation industry with the addition of the MB Kit Systems products and services portfolio. The result will be to continue to grow the WEISS footprint in North America as well as grow efficiencies and market share for both WEISS and MB Kit Systems at a significant level.

"WEISS has spent more than a year evaluating and planning this acquisition. There was already a relationship with MB Kit Systems' management, so it was a controlled environment in order to make a smooth and successful transition", states Bill Eppich, Vice President of WEISS North America.

MB Kit Systems, LLC. will remain a stand-alone company, wholly owned by WEISS North America, Inc. and located in Willoughby, OH, USA. WEISS North America, Inc. is a wholly owned subsidiary of the WEISS GmbH, globally headquartered in Buchen, Germany. MB Kit Systems, LLC. will have its own management team and will operate as its own business unit today and in the future.

"This important advancement in the WEISS Group shows the continued commitment to grow the WEISS organization and preserve our proud tradition of success", says Eppich. "As with all important business decisions, MB Kit Systems, LLC, together with WEISS North America and WEISS GmbH, will work closely to insure a prosperous future for the MB Kit Systems business, its employees, and clients.
