

IHS Markit | Technology Announces Innovation Award Winners at ShowStoppers @ CES 2020 in Las Vegas

LONDON, TX, UK, January 15, 2020 /EINPresswire.com/ -- LONDON, JANUARY 15, 2020 -- IHS Markit | Technology (https://www.ihsmarkit.com), now a part of Informa Tech (https://tech.informa.com/), today announced the winners of the IHS Markit Innovation Awards. Presented at the ShowStoppers® @ CES press event (https://www.showstoppers.com) on

"

The winners demonstrated an extraordinary level of innovation, vision and creativity."

Tom Morrod, research and analysis executive director

Tuesday, January 7, 2020 in Las Vegas, the awards showcased the most innovative technology products submitted by event exhibitors.

"We were pleased again this year to be hosting and judging the Innovation Awards at ShowStoppers @ CES, and we congratulate all the technology innovators who participated in the event," said Tom Morrod, research and analysis executive director at IHS Markit | Technology. "We consistently see an extraordinary group of nominees on

display in Las Vegas, and it always is challenging to select the victors in each category, but the winners demonstrated an extraordinary level of innovation, vision and creativity."

The winners, by category, of the 2020 IHS Markit Innovation Awards at ShowStoppers @ CES are:

AR, VR and gaming: AlignVR, for AlignVR

Runner up: Anomaly Productions, for Creative Creature Catcher
