The track 'Jaag' is an edgy song about women

empowerment, that revolves around awakening one's resolve for independence, breaking the shackles of misogyny and appeals to the listeners to move forward without being tied down by age-old customs and norms. Shahin Badar has released 4 Remix versions of her single, they have been produced by world famous EDM Producers like DJ Podje of 4SuMotion from Ireland and

## DJ Juttla and Kaya Project of UK

The first two remixes Vocal & Dub are produced by DJ Podje of 4SuMotion fame, who earned his reputation with his 10 year residency at the internationally renowned, U2 owned Kitchen Nightclub in Dublin Ireland. The track is a perfect fusion of Asian and European music and crosses over genres to be a floor filler in House, Tech House or Progressive House sets. DJ Podje states "I was delighted to be asked to remix Jaag and when I heard the exceptional vocal I knew I had to do it! Shahin is such a pleasure to work with, I enjoyed putting my slant on Jaag and feel that I've done the vocal justice "

The third remix is by DJ Juttla, who is a renowned DJ & UK Producer. DJ Juttla has been a driving force in the Asian Electronic music scene for three decades. DJ Juttla has now featured on over one hundred releases and continues to move forward on his musical journey pushing the boundaries of music. DJ Juttla says "I've been a massive fan of her music for over 20 years and my all time favorite track is by the Prodigy 'Smack my bitch up' that she featured on! A great vocalist and a lovely kind hearted person "

The fourth remix is by Kaya Project, founded by Seb Taylor and Natasha Taylor of UK. They have achieved acclaim for their Asian Dub and World Fusion Music, releasing five albums since 2004. Seb Taylor says "I decided to make a halftime tough dub steppy remix in order to contrast with the great dancey original mix. Shahin also sings on my very latest album 'Up from the Dust' on the Track 'Nazreh Mili' "

The song 'Jaag' and Remix versions are available on all leading streaming and digital platforms like Spotify, iTunes, Wynk, Beatport and many more. Shahin Badar will be Touring all over India with a Live backing band. For any further information get in touch with her management.
