

EDRM Announces iCONNECT as Newest Partner

MINNEAPOLIS, MINNESOTA, UNITED STATES, January 16, 2020 /EINPresswire.com/ -- Setting the global standards for e-discovery, the Electronic Discovery Reference Model (EDRM) is pleased to announce that iCONNECT Development, LLC is its newest Preserver-level partner. iCONNECT is an industry leader in developing innovative legal review software and services that empower legal teams to complete complex review projects more cost-effectively.

Among the EDRM opportunities and resources available to iCONNECT and other partners is the ability to connect, network and collaborate via EDRM projects and events. Partners work with the EDRM global community comprised of knowledgeable, multidisciplinary professionals contributing to enhance e-discovery, privacy, security and information governance frameworks, processes and standards.

“

EDRM has always had a similar focus, and this partnership is a perfect synergy of like-minded organizations.”

Ian Campbell, CEO, iCONNECT

“iCONNECT has long been an innovator in scalable, defensible platforms,” says Mary Mack, CEO and chief legal technologist at EDRM. “Their commitment to privacy by design and innovations in video and audio coupled with allowing the public to access e-discovery for the JFK archives cements their status as an industry leader.”

This partnership allows iCONNECT access to the global EDRM community, comprised of 33% corporations, 30% law firms and 23% software and service providers.

“We’re always looking over the horizon to see what’s next, creating simple solutions to complex problems,” says Ian Campbell, CEO of iCONNECT. “EDRM has always had a similar focus, and this partnership is a perfect synergy of like-minded organizations.”

About EDRM

Empowering the leaders of e-discovery, the Electronic Discovery Reference Model (EDRM) creates practical global resources to improve e-discovery, privacy, security and information governance.
