About Folds of Honor Arizona Chapter: Of the one million-plus military dependents adversely affected by deployments, nearly 9 out of 10 do not qualify for federal scholarship assistance. Since 2007, Folds of Honor has carried forth this singular, noble mission to close that gap by providing education support to spouses and children of America's fallen and disabled service members. The Folds of Honor motto says it best: "Honor Their Sacrifice. Educate Their Legacy."
