

Georgia US Navy Veterans Lung Cancer Advocate Appeals to A Navy Veteran with Lung Cancer in Georgia Who Had Heavy Asbestos Exposure in the Navy to Call for Direct Access to the Lawyers at Karst von Oiste-Get Compensated

ATLANTA, GEORGIA , USA, February 28, 2020 /EINPresswire.com/ -- The Georgia US Navy Veterans Lung Cancer Advocate is appealing to a Navy Veteran who has lung cancer in Georgia to call them anytime at 800-714-0303 if they also had significant exposure to asbestos in the service. In the event the Veteran is too sick to call on their own the Advocate is appealing to their family to call on their behalf. The type of person the Advocate is trying to identify is over 60 years old and their asbestos exposure probably occurred before 1980. What people like this do not understand is the \$30 billion dollar-asbestos trust funds were set up for them too. A Navy Veteran or even a worker in Georgia who had heavy exposure to asbestos and now has lung cancer could get in excess of a hundred thousand dollars in compensation.

The Advocate says, "To get the financial compensation job for a Navy Veteran or person in Georgia who had heavy exposure to asbestos and now has lung cancer we have endorsed the remarkable lawyers at the law firm of Karst von Oiste. The lawyers at the law firm of Karst von Oiste have been assisting Navy Veterans and people with asbestos exposure lung cancer and mesothelioma for decades and they are responsible for over a billion dollars in financial compensation for people like this. For direct access to the lawyers at the law firm of Karst von Oiste please call 800-714-0303."

The US Navy Veterans Lung Cancer Advocate says, "If your husband, dad, coworker or neighbor has just been diagnosed with lung cancer and you know they had significant exposure to asbestos in the navy, at a shipyard

or while working at a factory, at power plant, public utility, or as a plumber, electrician welder, mechanic or any kind of skilled trades group in any state please have them call us anytime at 800-714-0303. Most people like this never get compensated-even though the asbestos trust funds were set up for them too. We are trying to change this sad fact."
