About Vancouver Film School

In 1987, Vancouver Film School introduced the world's first true immersion film program. Today, VFS is Canada's premier entertainment-arts centre, offering an immersive curriculum in film, animation, video game production, VR/AR development, motion and interactive design, programming, art/production foundation, and other related programs. VFS is known for providing high-quality education in accelerated timeframes. VFS alumni are consistently credited on the most successful products in the entertainment economies.
