

POP SENSATION LV TO RELEASE NEWEST SINGLE 'DONE WIT IT'

LV might be DONE WIT IT but she's just getting started!

LOS ANGELES, CA, UNITED STATES, January 23, 2020 /EINPresswire.com/ -- LV is set to release her next single, 'DONE WIT IT' featuring rap artist DDG. Following the release of her single, 'I GOT YOU' featuring Chief Pound & Baby Soulja, LV is back again with a hip-hop twist on her classic pop sound. This time, LV is over her relationship with her boo who doesn't value her as they should - and as she deserves.

It might be cuffing season but LV is DONE WIT IT in her new single. Her sensuous but powerful tone expresses what it feels like to be taken for granted. This song explains what it feels like to be with someone who's actions speak louder than their words. She ultimately cuts her boo off for not treating her with the respect and appreciation that she deserves. LV's "too good for this s***" and this song shows it.
