Top key players profiled in the Butadiene Market include are - - Basf Corporation,- Braskem, - China Petroleum & Chemical Corporation, - Evonik Industries Ag., - Exxonmobil Chemical Company, - Formosa Plastics Group, - Ineos Group Ag., - Jsr Corporation, - Lanxess Aktiengesellschaft, - Lg Chem Limited

What is REGIONAL FRAMEWORK of Butadiene Market?

The report provides a detailed overview of the industry including both qualitative and quantitative information. It provides an overview and forecast of the global butadiene market based on various segments. It also provides market size and forecast estimates from the year 2018 to 2027 with respect to five major regions, namely; North America, Europe, Asia-Pacific (APAC), Middle East and Africa (MEA) and South America. The butadiene market by each region is later sub-segmented by respective countries and segments. The report covers the analysis and forecast of 18 countries globally along with the current trend and opportunities prevailing in the region.

The report analyzes factors affecting the butadiene market from both demand and supply side and further evaluates market dynamics affecting the market during the forecast period i.e., drivers, restraints, opportunities, and future trend. The report also provides exhaustive PEST analysis for all five regions namely; North America, Europe, APAC, MEA, and South America after evaluating political, economic, social and technological factors affecting the butadiene market in these regions.

What are Scope of market for Butadiene ?

The "Global Butadiene Market Analysis to 2027" is a specialized and in-depth study of the chemicals and materials industry with a special focus on the global market trend analysis. The report aims to provide an overview of the butadiene market with detailed market segmentation by application, product, end-user industry, and geography. The global butadiene market is expected to witness high growth during the forecast period. The report provides key statistics on the market status of the leading butadiene market players and offers key trends and opportunities in the market.

[Butadiene Market Segmentations?](#)

The global butadiene market is segmented on the basis of application, product and end-user industry. On the basis of application, the butadiene market is segmented into, polybutadiene, chloroprene, styrene-butadiene, nitrile rubber, acrylonitrile butadiene styrene, adiponitrile, sulfolane, ethylidene norbornene, styrene butadiene latex and other applications. On the basis of product, the market is bifurcated into, quarter-turn valve, multi-turn valve and other products. Based on end-user industry, the global butadiene market is segmented into, plastic and polymer, tire and rubber, chemicals and other end-user industries.
