The Top 10 tips include many background sources and articles that users can independently peruse. In addition, the XcooBee team shares products and services that can be quickly implemented and require little maintenance or behavioral change.

"We understand that most users cannot be expected to change how they engage with the Internet", continued Soylu. "Our suggestions assume only minimal personal change", he concluded.

The XcooBee team [picked things](#) that they believed consumers can affect directly and quickly with minimal effort. The overall objective was to target the average consumer and provide meaningful and actionable information.

"We are proud to release an information tool that focuses on practical privacy improvements", stated Bilal Soylu, CEO of XcooBee.

With this in mind, XcooBee curated the "Top 10 Personal Privacy Tips 2020". "The tips are easy to

follow, and anyone can improve their privacy stance regardless of technical know-how", added Soylu.

XcooBee provides peace of mind to businesses looking to comply with new privacy rules, such as GDPR and CCPA. As more countries adopt laws to protect their citizens' privacy, using products like XcooBee will become a competitive advantage.
