One of only 13 entities to have been issued with such a license. Glaive International Defence have extensive networks within the Military, Defence & law enforcement worldwide. They have partnered with some of the best manufacturers to bring the latest technology, to those who dedicate part of their lives to protect the rest of us and allow us to go by our quiet daily lives and sleep peacefully at night. With this Alliance, they will help some of them make this world a safer place for all.

Defence Unlimited International Corp. a Canadian based company, was established by Mr Edward Sawiris Banayoti in 1990 as Broker of Military assets. Defence Unlimited International Corp. can deliver equipment / advanced technology and offers a full line of services to include specialized training, security contractors and/or security services etc... Defence Unlimited International Corp. also provides services to train or supplement official armed forces in service of friendly governments.

Words from both Leaders:

Vincent Marty: Forming this strategic commercial Alliance, enable both companies to combine extensive networks and dramatically boost their supply capabilities, not only to our own respective country's Military, Defence & Law enforcement but also to our friendly Allies. We are looking forward to a strong and lasting Alliance and to serve our country & friendly Governments.

Edward Sawiris Banayoti: Defence Unlimited International, a global leader in the defence &
