the Wild” Now on Sale

Go behind-the-scenes of Twentieth Century Studios’ “The
Call of the Wild” with the making-of featurette
“Adventure Companions,” debuting online today. The
film, which opens in theaters nationwide on February 21,

and Bradley Whitford, with advance tickets now on

THE CALL OF THE WILD

Adapted from the beloved literary classic, 20th Century
Studios’ “The Call of the Wild” vividly brings to the screen
the story of Buck, a big-hearted dog whose blissful
domestic life is turned upside down when he is suddenly
uprooted from his California home and transplanted to
the exotic wilds of the Canadian Yukon during the Gold
Rush of the 1890s. As the newest rookie on a mail
delivery dog sled team--and later its leader--Buck
experiences the adventure of a lifetime, ultimately
finding his true place in the world and becoming his own
master. As a live-action/animation hybrid, “The Call of the Wild” employs cutting edge visual
effects and animation technology in order to render the animals in the film as fully
photorealistic--and emotionally authentic--characters. “The Call of the Wild” stars Harrison Ford,
Omar Sy, Dan Stevens, Karen Gillan and Bradley Whitford. Directed by Chris Sanders from a
screenplay by Michael Green, based on the novel by Jack London, the film was produced by
Erwin Stoff, p.g.a. and James Mangold, p.g.a., with Diana Pokorny and Ryan Stafford serving as
executive producers. Rated PG. Opens in theaters February 21.
