On Jan. 15, the first Charity Coalition Luncheon of 2020 in the Fort Harrison Crystal Ballroom in downtown Clearwater focused on networking and achieving goals in the New Year.

The featured charity for the month was the Scientology Volunteer Ministers Florida and their work in the Bahamas after Hurricane Dorian, directly helping over 600 Bahamians.

“

A goal starts with a thought and you formulate a plan to make it come true. It all begins with someone thinking about their goal and getting others to follow.”

Joel Anderson, Deputy Executive Director, Clearwater Community Volunteers

The Community Affairs Director then introduced Joel Anderson, the deputy executive director for the [Clearwater Community Volunteers](#), a nonprofit organization that organizes annual events for children and families in the Tampa Bay area. Anderson gave an educational talk on how to set and achieve goals for one's nonprofit going into the New Year.

“Most of us know a goal as ‘I’m going to stop smoking,’” Anderson told the audience. “A goal starts with a thought and you formulate a plan to make it come true. It all begins with someone thinking about their goal and getting others to follow.”

Following Anderson's talk, guests shared their goals for their nonprofit with the rest of the group. This was followed by speed networking, before the event closed, to help make those goals come true.
