

Step into the Future of Gaming with ICE London This February

The gambling industry's largest event takes place February 4th thru the 6th.

LAS VEGAS, NEVADA, UNITED STATES, January 30, 2020 /EINPresswire.com/ -- (London, January 26, 2020) ---The ExCel Exhibition Centre in London, England will play host to ICE London next month, where over 35,000 attendees will have three days to discover the latest innovations in the gaming industry across all sectors. More than 600 of the best providers in gaming will attend the exhibition, showcasing innovative products and networking with attendees, focusing on new business and partnership opportunities.

ICE provides an essential meeting place for everyone associated with the gaming industry. From software developers to platform providers, all sectors are covered, allowing everyone in attendance to gain new knowledge of the industry and build new partnerships to strengthen their existing business model.

During ICE London, attendees will be able to meet with a global network of gaming professionals from across the industry. Networking events throughout the three-day affair allow attendees to build relationships with others across the globe, expanding their business to different regions.

Learning opportunities are on the schedule for ICE, with top gaming industry leaders hosting inspirational talks and panel discussions regarding hot topics like Cybercrime and Security, Advertising and Marketing, Hospitality Technology and more. This section of the conference is titled ICE VOX and will feature two days of conference tracks on February 3rd and 4th. VOX is a precursor to the ICE London exhibition.

ICE London will also offer product demonstrations from top gaming companies, including an inside look at brand new games that have yet to launch. Over 600 solutions covering both land-based and online verticals will be showcased during the exhibition. The space will be filled with top companies, showcasing their latest creations that build upon the latest technologies and innovations.

The best of the best software companies will be on hand to present their latest creations, including [Betsoft Gaming](#). For Betsoft, they will be located at stand S3-312 during ICE, providing an inside look at their latest video slot innovation, [SuperSweets](#), as well as Total Overdrive. Demonstrations of both games will be offered during the exhibition. Attendees can speak to
