CHARLOTTE, NC, USA, February 5, 2020 /EINPresswire.com/ -- Cedar Management Group, AAMC, is fortunate for the service and commitment of their very own senior staff. On February 15th, Errol Thomas, Charlotte Area Manager, will be celebrating his 10 year anniversary with Cedar Management Group.

Errol Thomas started as a Community Manager at Cedar Management Group when there were less than 45 employees in the entire company. Promoted to Area Manager, he's been leading a team of Charlotte Community Managers to do all they can to help HOA board members be successful, while aiding them in holding down costs and reducing the amount of volunteer time they spend in the effort.

“

I continue to enjoy working every day with my communities and my team. We never get bored. There is always a new problem to solve and unique solutions to create.”
