

# Hear updates on connected Drug Delivery devices at Injectable Drug Delivery 2020

*SMI Reports: Team Consulting to lead the Injectable Drug Delivery workshop on 12th May 2020*

LONDON, KENSINGTON, UNITED KINGDOM, January 30, 2020 /EINPresswire.com/ -- The 3rd annual Injectable [Drug Delivery](#), will commence on the 13th – 14th May 2020 in London. The two-day conference will explore the innovations in the realm of drug formulation such as innovations in device design, quality management and connectivity for enhanced subcutaneous delivery.

Delegates will have the opportunity to meet and collaborate with regulatory experts and top pharmaceutical companies such as Allergan, Amgen, BSI Group, Janssen Pharmaceutica, MHRA, and many more.

An early bird saving of £400 for bookings made by 31st January 2020. Register at [www.injectable-drug-delivery.com/einpr2](http://www.injectable-drug-delivery.com/einpr2)

Injectable Drug Delivery 2020 will also include an interactive half-day pre-conference workshop taking place on Tuesday 12th May 2020. This workshop will delve into the insights and experiences of facilitators as human factors (HF) specialists, of medical App development. Attendees are given the chance to gain practical knowledge of the HFE mindset, tools and methods that are key to the development of successful Apps and many more.

Julian Dixon, Director of Human Factors, Team Consulting and Diane Aston-James, Head of Human Factors, Team Consulting will lead the workshop on 'Developing apps for Connected drug delivery devices - a practical and integrated HF approach'

- Apps for Humans - Part 1
- App Prototyping
- App testing
- Apps for humans - part 2

The event brochure with the full agenda and speaker line-up is available to download online. Register at [www.injectable-drug-delivery.com/einpr2](http://www.injectable-drug-delivery.com/einpr2)

Injectable Drug Delivery 2020  
13th – 14th May 2020

The brochure features the SMI logo in the top right corner. The main title 'Injectable Drug Delivery' is in large blue font, with the location 'Copthorne Tara Hotel | London, UK' below it. A photograph of several medical syringes is shown in the center. A dark blue box on the right side of the image contains the dates '13th - 14th May 2020'. At the bottom, a blue banner displays the website 'www.injectable-drug-delivery.com' and the event title 'Injectable Drug Delivery 2020'.

Copthorne Tara Hotel Kensington London, UK
