

Coronavirus Outbreak: Are Service Disruptions Affecting Your Business?

How Cleveland-Based EOX Vantage helps companies continue effective operations

CLEVELAND, OHIO, UNITED STATES, January 30, 2020 /EINPresswire.com/ -- The coronavirus in China isn't just impacting world health. Across many industries, businesses are experiencing service disruptions as corporations across China remain closed in the aftermath of the outbreak. Wuhan, the epicenter of the coronavirus outbreak, is a hub for manufacturing, shipping, and worldwide commerce that continues to suffer significant impact from the spread of this epidemic.

Cleveland-Based EOX Vantage helps companies continue effective operations amidst coronavirus outbreak.

Attempting to halt the spread of the virus, Chinese authorities extended the break that most companies take for the lunar New Year, but continuing illness could cause additional supply chain disruptions across many industries. "Fortunately, EOX Vantage can help businesses receive relief that will keep them functioning during this difficult period," says Anoop Sam, EOX Vantage's India-based Operations Manager.
