PASADENA, CALIFORNIA, UNITED STATES, January 31, 2020 /EINPresswire.com/ --

AskTheLawyers.com™ is excited to welcome Attorney Pius Joseph of the Law Offices of Pius Joseph to their legal community.

AskTheLawyers.com™ is unique among attorney listing sites in that each attorney must be thoroughly vetted and approved before earning a listing.

Pius Joseph is a third generation attorney who has represented individuals and businesses for more than 30 years. He recently obtained a [\\$925,000 settlement](#) for a client who was injured in an [automobile accident](#). Mr. Joseph was not the original attorney on the case. He took the case over when the client decided that their current representation was not fulfilling their duties as agreed upon in the Attorney/Client Agreement. The client dismissed the original attorney and hired Pius Joseph.

The previous attorney had suggested that the client just needed to see a chiropractor. After a thorough evaluation of the case, Joseph saw that the client suffered from issues pertaining to a traumatic brain injury. Joseph immediately set up appointments for his client to receive a neurological evaluation. The results showed that the client needed a laminectomy to treat a spinal injury. The case was ultimately settled for \$925,000-- an amount far greater than what the previous attorney had estimated.
