LOS ANGELES, CA, USA, January 31, 2020 /EINPresswire.com/ -- [Trophy Automotive Dealer Group](#) Offers Opportunities to Own Quality Pre-Owned Mercedes-Benz Vehicles

Drivers looking for a deal on quality Certified Pre-owned Mercedes-Benz vehicles can find a variety of models to choose from at Trophy Automotive Dealer Group's two Mercedes-Benz dealership locations; one in Encino and one in Santa Clarita.

For decades Mercedes-Benz has offered drivers the ultimate in prestige and luxury. While these vehicles are highly desirable, not everyone's budget is ready for the price of a new Mercedes. And there is always the desire to try and find a better price. For these reasons, Trophy Automotive Dealer Group's Mercedes-Benz dealerships sell Certified Pre-Owned (CPO) Mercedes-Benz vehicles. Car shoppers who desire the performance, elegance and prestige of this iconic brand, can have it all in a late model Mercedes-Benz from a Trophy Automotive Dealer Group Mercedes-Benz dealership, at an attractive low price.

Drivers can discover all the benefits of buying a CPO Mercedes-Benz:

- 165 point inspection - Exterior complete examination, plus review of windows and tires to ensure they are Mercedes-Benz approved; Interior: complete analysis of all functions, materials and features.

- Warranty - What remains (if any) on the original 4 year/50,000 mile limited warranty, and an additional CPO 1 year/100,000 total vehicle accumulated miles limited warranty (this CPO limited warranty can be extended for up to two additional years/125,000 total vehicle accumulated miles). See dealer for a copy of the limited warranty.

- 24 hour Roadside Assistance - Get help when needed for tire changes, fuel and more, plus get help with trip routing and technical assistance.

- Exchange CPO Mercedes-Benz within 7 Days or 500 miles - Owner can exchange a Mercedes-Benz CPO vehicle within this stated time/mileage if dissatisfied. The exchange can be of the same or greater value (owner to pay the difference in cost).

- Nationwide Dealer Support - Any Mercedes-Benz dealer nationwide will honor the Mercedes-Benz CPO Limited Warranty or Extended CPO Limited Warranty.

In addition to all of the above benefits, shoppers can access CarFax reports on the CPO Mercedes-Benz cars in the Trophy Automotive Dealer Group inventory. Some of the vehicles are one-owner cars, and come with CarFax One-Owner Reports. Another advantage to shopping with Trophy Automotive Dealer Group's Mercedes-Benz dealerships for a CPO Mercedes is that shoppers who begin their search on the dealer's website can request a special price quote by email.
