VANCOUVER ISLAND, BC, CANADA, February 4, 2020 /EINPresswire.com/ -- HouseMaster, the first and most experienced home inspection franchise company in North America, recognized HouseMaster of Vancouver Island for its commitment to exceeding customer expectations and expanding business at HouseMaster's annual conference in Boulder, Colorado, this November. Local owner Patrick Preston received the President's Club award for the first time, marking a milestone for his franchise location.

Patrick receives his award from HouseMaster President and CEO Kathleen Kuhn

“My team and I have put a tremendous amount of energy and dedication into making last year our best yet, and this recognition from HouseMaster validates all that we’ve done to grow and provide home inspections across Vancouver Island and neighboring communities,” said Preston. “This award means a lot to us and we are grateful for the continual support from the HouseMaster team and our fellow franchise owners across the U.S. and Canada.”

HouseMaster has been locally owned and proudly serving Vancouver Island with over 18,000 quality home inspections since 2001. Preston is an NIBI-certified inspector and also trained on inspector mold and indoor air quality, along with inspecting wood stoves. Additionally, he’s a Level I Thermographer.

HouseMaster President and CEO Kathleen Kuhn and the corporate team hosted the conference and event, honoring the success of franchise owners over the past year and celebrating their lasting impact on the home inspection industry. Many of the HouseMaster owners that serve over 325 locations across the United States and Canada gathered in Colorado for the annual gathering.

This was a very special conference for the HouseMaster family as the brand celebrated its 40th anniversary of franchising this year. HouseMaster is known for its strong commitment to customer service. HouseMaster holds a Net Promoter Score of 92 (a customer satisfaction ranking higher than Apple and Ritz-Carlton). Franchise Business Review has named HouseMaster a top franchise brand since 2009.

“Every year we take advantage of this opportunity to recognize some of HouseMaster’s top performers — owners who take a great deal of pride in mastering their business through our

system,” Kuhn said. “We are thrilled to celebrate this achievement alongside Patrick and his team. They embody what makes our franchise family so very special.”
