

# Hear H145M updates from the Hungarian Defence Forces at Helicopter Technology Central and Eastern Europe 2020

*Smi Reports: Hungarian Defence Forces to brief on H145M updates at Helicopter Technology Central and Eastern Europe, in Budapest.*

BUDAPEST, HUNGARY, February 5, 2020 /EINPresswire.com/ -- In the latest helicopter news, 'Hungary takes delivery of its first two H145Ms'\* allowing the Hungarian Defence Forces to execute missions from light utility, tactical transport, combat search and rescue, up to light attack.

With modernisation programmes fundamental across regional defence forces, this will be an important topic of discussion for the upcoming [Helicopter Technology Central and Eastern Europe conference](#), which will take place on the 20th and 21st May 2020 in Budapest, Hungary.

For interested parties, there is an early bird saving of £200 for bookings made by 28th February. Register at <http://www.futurehelicopter.co.uk/einPR2>

With that in mind, the topic of the H145M helicopters being delivered to the Hungarian Defence Forces will provide delegates the chance to hear key updates from [Brigadier General József Koller, Base Commander](#), HDF 86th Szolnok Helicopter Base, Hungarian Defence Forces on 'Transformation of The Hungarian Helicopter Force to a Digitalized Platform' covering:

- Historical lookback of the HUAF RW capability
- Defence Development Program of HDF
- Challenges of RW technology, training, maintenance and logistic transformation of HUAF

As the only forum focussing on helicopter technology specifically within the Central and Eastern European region, attendees will be able to hear about key [defence equipment upgrades](#), [multipurpose helicopter technology](#), joint force interoperability and more from senior government and military personnel.

The two-day event also includes a wide array of key regional briefings from countries such as:

The banner features a dark blue background with a photograph of two black helicopters in flight over a hilly landscape. The text is prominently displayed in white and light blue.
