

ITFirms Applauds Top Ionic App Developers in 2020

ITFirms acclaims Ionic App Developers who stood committed and proved their wit with unwavering reliability and uniformly high caliber!

NEW YORK, UNITED STATES, February 5, 2020 /EINPresswire.com/ -- A developer consistently needs to fine-tune their development efforts based on the technology in demand. The increasing demand of mobile app solutions has led service seekers to chase pioneering [Indian Mobile App Developers](#).

Built with Angular and Apache Cordova, Ionic is open source, cross-platform mobile app development framework. It got established in Year – 2013, Language Stack – Typescript, Developer – Drifty, Architecture - Angular MVC, Performance – 4 Star, Community Support – 3 Star, Development Time - 4 Star, Stability – 4 Star.

Defined by default UI elements like forms, filters, action sheets, list views, tab bars, navigation menu in their design, managing Ionic becomes much easier with knowledge of CSS, JavaScript, and HTML. It supports higher performance in conjugation with PhoneGap as compared to hybrid applications. Here are the factors that Ionic app development companies vetted upon:

- quality of work,
- built on AngularJS,
- ease of testing,
- service offerings,
- presence in the market,
- the utility of single codebase,
- open source,
- great community support,
