Whimzy Tees is thrilled to celebrate the personable and indispensable camel in this collection that's now available on the company's webstore. The bright but pleasing colors of pink and green will soothe your soul and have you dreaming of trips across the Sahara. And, what's not to like about a camel?”

ALL HAIL THE CAMEL

Whimzy Tees has long featured celebrated animal ambassadors in its signature clothing lines.

The Geoffrey Bean collection spotlights an animal that is still integral to life in places such as Arabia, Egypt, Morocco, Algeria, Tunisia, Somalia, Ethiopia, India, and Afghanistan. And recently brought again to the forefront due to populations being devastated in Australia (an import of the Indian traders who used them for transport) during the fires. According to lore, if a one-humped camel enters your life, you need to find an oasis to refresh your soul. If a two-humped camel makes its presence known, you must rely upon your inner wellspring to navigate the changes and opportunities before you.

THE HAUL

Of course, if you treat yourself to new items from the Whimzy Tees Geoffrey Bean collection, you are bound for fashion greatness. Each item features a big and bold camel that looks real enough to hug. Browse the collection to find garments such as traditional sweatshirts, slouchy sweatshirts, mini skirts, tees, tees, leggings, and rash guards. You'll also find exciting accessories such as ceramic mugs, stainless steel travel mugs, travel bags, beach bags, and laptop sleeves.

THE PALETTE

Each item in the Geoffrey Bean collection is coordinated with every other, so you can mix and match the articles to create your own signature look. The line boasts vibrant shades of pink, green, maroon, black, and tan; often mixed into unique mosaics. Items also reveal bold contrasting patterns such as paisley, stripes, and geo. Colors and patterns combine to create clothing you simply cannot find anywhere else except the Whimzy Tees webstore.
