

Cyber Infrastructure's 4-Week .Net Consulting & App Development Implementation Available in Microsoft Azure Marketplace

Microsoft Azure customers worldwide now gain access to Cyber Infrastructure's implementation service.

SAN JOSE, CA, USA, February 10, 2020 /EINPresswire.com/ -- Cyber Infrastructure (CIS) today announced the availability of its four-week .Net Consulting & Application Development implementation service in the Microsoft Azure Marketplace, an online store providing applications and services for use on Azure. CIS customers can now take advantage of the productive and trusted Azure cloud platform, with streamlined deployment and management.

With more than 16 years of experience and a team of 1000+ IT professionals, CIS has become a big name in the field. CIS boasts a young culture, and one of the main credits of its success goes to its innovative business development strategies. CIS offers a wide range of [Azure Cloud Solutions](#), digital services, including web development, mobile app development, blockchain development, AI app solutions, IoT solutions, enterprise mobility, and Big Data services.

Amit Agrawal, Founder & COO at Cyber Infrastructure, said, "We are delighted to be able to offer our consulting services to Microsoft clients and partners. Our USP is Think Big. We make IT possible!"

Sajan Parihar, Senior Director, Microsoft Azure Platform at Microsoft Corp., said, "We're pleased to welcome CIS' .Net Consulting & Application Development implementation service to the Microsoft Azure Marketplace, which gives our partners great exposure to cloud customers around the globe. Azure Marketplace offers world-class quality experiences from global trusted partners with solutions tested to work seamlessly with Azure."

The screenshot shows the Microsoft Azure Marketplace interface. At the top is the Microsoft logo and navigation tabs for 'Azure Marketplace' and 'Consulting Services'. A search bar is present. Below the navigation, the listing for '.Net Consulting & Application Development 4wk Imp.' by Cyber Infrastructure Private Limited is displayed. The listing includes the CIS logo, a price of \$4,000, and a 'CONTACT ME' button. A detailed description of the service is provided, along with a 'Think Big. We make IT, possible!' banner featuring a play button icon. Below the listing, a large banner highlights CIS as 'One of the BIGGEST IT COMPANY in Central India' with '14+ Years Counting'. To the right of this banner, a list of key statistics is shown: 05 Worldwide Offices, 14+ Years in Business, 100+ Worldwide Clients, 1000+ IT Experts, and 1000+ Projects. The banner also includes the website URL www.cisin.com and logos for CMMI DEV/3, Microsoft Partner, and ISO 9001:2015.

The Azure Marketplace is an online market for buying and selling [cloud computing solutions](#) certified to run on Azure. The Azure Marketplace helps connect companies seeking innovative, cloud-based solutions with partners who have developed solutions that are ready to use.
