

# Registration is now open for SMi Group's 2nd annual Future Armored Vehicles: Protection Systems USA, this June

*SMi Reports: Registration and sponsorship opportunities now open for the Future Armored Vehicles: Protection Systems USA*

ARLINGTON, VIRGINIA, UNITED STATES, February 10, 2020 /EINPresswire.com/ -- The highly anticipated [Future Armored Vehicles: Protection Systems USA 2020](#) will return for its 2nd year on June 11th and 12th in Arlington, USA.

As a leading conference focusing on the software developments within vehicle protection systems, delegates can anticipate exclusive updates from leading military and industry experts on topics such as; modular technology, hard/soft kill systems, integrated mission systems and the future of the technology, data management considerations many more.

## [What to expect in 2020's event:](#)

The two-day event will include unique briefings on Active Protection System development and integration amongst other elements, as well as to maintain maximum armored vehicle staying power in modern battlespaces. 2020's event will continue to draw on strong support from the leading US Army organisations, at the cutting edge of vehicle protection development and integration. In Addition to this, leading military figures will include representatives from the Program Executive Office Ground Combat Systems, Maneuver Center of Excellence, the CCDC Ground Vehicle Systems Center and more.

The conference already includes a couple of impressive industry leading sponsors, such as:

- Leonardo – Gold Sponsor
- Rheinmetall Defence – Sponsor and Exhibitor

To join these organisations as a sponsor or exhibitor, interested parties should contact Sadia Malick, Director, [smalick@smi-online.co.uk](mailto:smalick@smi-online.co.uk) or call +44 (0) 20 7827 6748. The newly released brochure is also available to download on the website at <http://www.fav-aps.com/einPR1>
