

# IT Governance Publishing to exhibit at the London Book Fair 2020

ELY, CAMBRIDGESHIRE, UNITED KINGDOM, February 11, 2020 /EINPresswire.com/ -- [IT Governance Publishing](#) (ITGP), the world-leading provider of governance and compliance books and documentation toolkits, is pleased to announce its attendance at [the London Book Fair 2020](#).

Taking place at Olympia London from 12–14 March 2020, the event brings together more than 25,000 professionals from around the world to help authors, publishers and distributors network, collaborate and build relationships within the industry.

One of the largest book-publishing trade fairs held annually, the London Book Fair provides attendees and exhibiting publishers with the opportunity for rights negotiation and the distribution of content across print, audio, TV, film and digital channels.

The programme is designed to give insight into the latest trends, news and innovations in publishing, media and beyond.

IT Governance Publishing will be attending the event to showcase its range of books, e-books, audiobooks, posters and digital resources concerning international best practice on GRC (governance, risk management and compliance) matters.

Sophie Sayer, ITGP's Sales Director, said: "With many years' experience in GRC publishing, ITGP is well positioned to support authors and distributors in the industry. We look forward to attending this event and being able to support authors on their imminent journey to becoming published." □

Distributors, authors and other attendees are encouraged to visit ITGP at stand 4N9C, where they can meet ITGP's Sales Director, Sophie Sayer and Business Development Manager, Andreas Chrysostomou for a more in-depth discussion.

ITGP publishes books about best-practice frameworks, regulatory compliance, and cyber and information security technical expertise including IT governance, IT service management and project management. Its documentation toolkits have been created by industry experts and compliance specialists, and are used by more than 9,000 organisations worldwide.
