*With the support of The Home Depot Foundation and Bank of America, the charity embarks on renovation project for Service-Connected Disabled Veteran*

STATESVILLE, NC, UNITED STATES, February 18, 2020 /EINPresswire.com/ -- Purple Heart Homes (PHHUSA – [www.phhusa.org](http://www.phhusa.org)) is pleased to announce it is expanding its footprint

into the State of Arizona with the renovation of a Service Connected Disabled Veterans' home.

On February 19, 2020, PHH staff members will join local volunteers, along with Bank of America Volunteers and The Home Depot store #0467 in Tucson, to construct a 10'x12' deck with a wheelchair ramp in the front of the home of a 63-year-old Vietnam Veteran who suffers from lack of mobility and back problems. The ramp will improve safety and provide accessibility for the recipient. This will be the 562nd Veteran served by PHHUSA.

Members of the media are invited to join PHH and its volunteers at 13697 S. Hound Dog Road in Vail on Tuesday, February 18, from 10:00am-3:00pm and on Wednesday, February 19, from 10:00am-2:00pm. Media are also encouraged to attend the Mission Complete ceremony on Wednesday at 1:30pm.

"We are thrilled and excited to be working with and for this Arizona Veteran," said John Gallina, Co-Founder and CEO of Purple Heart Homes. "We look forward to doing important work in Tucson, and will also take this opportunity to establish relationships with community leaders that can lead to establishing a Purple Heart Homes Chapter, which will assist more Veterans in Arizona to live and age in place safely."

PHHUSA has two programs: Veterans Aging in Place and The Veterans Home Ownership Program. From building a ramp to providing home ownership opportunities to veterans with physical as well as invisible injuries, PHHUSA's programs are designed to fit the specific needs of veterans of all ages and from all eras. Please join PHHUSA and its partners in thinking about the value that a safe and accessible home brings to our Veterans, who have sacrificed so much for each of us.
