

NATIONAL HEMP BOOT CAMP COMES TO DES MOINES, IOWA ON FEBRUARY 29

Farmers can tap into America's fast-growing hemp and CBD industry at this one-day workshop

DES MOINES, IOWA, UNITED STATES, February 18, 2020 /EINPresswire.com/ -- [FC Global Events](#) is continuing its series of 2020 [Hemp Boot Camps](#) in key agricultural states throughout the U.S., to educate interested entrepreneurs and growers on the fast-growing hemp and CBD industries.

The next stop of the Boot Camp tour is a one-day intensive session that will be held at the Embassy Suites Downtown in Des Moines, Iowa from 9:00 A.M. to 4:00 P.M on Saturday, February 29, 2020.

These workshops are geared toward farmers and entrepreneurs interested in learning more about the business of growing hemp and diversifying their crop offerings. Jeffrey Friedland, CEO of FC Global and Boot Camp instructor, helps attendees obtain the tools and knowledge to succeed in America's newest agricultural industry.

“

Would-be hemp leaders have an amazing opportunity to master the aspects of the emerging and recently legal hemp industry and better understand this soon-to-be major American agricultural crop.”

Jeffrey Friedland

“Hemp had an important role in America’s history and now modern farmers are interested in learning how they too, can process, produce and market this crop, said Jeffrey Friedland, CEO of FC Global Events and leader of the Hemp Boot Camps. “Would-be hemp leaders have an amazing opportunity to master the business and agricultural aspects of the emerging and recently legal hemp industry and better understand this soon-to-be major American agricultural crop.”

The one-day [Hemp Boot Camp](#) covers the following topics:

Hemp Crop 101: Seeds, clones, fiber, biomass, fertilizer, pesticides, mandated testing, harvesting, decortication, and watering needs. The difference in cultivars for growing hemp for seeds, fiber, or CBD.

Business Opportunity: The market for fiber, hemp seeds, hemp seed oil, and CBD is projected to reach \$10.6B in annual sales by 2025. We'll explore the economic future and share how to capitalize on this industry within a strategic five-year timeline.

Rules & Regulations: Federal and state legal status of hemp, and how to comply with regulations

regarding registration, transportation, and sale of hemp and hemp derivatives (including seeds, hemp, seed oil, fiber, and CBD).

CBD Category Potential: The production and sale of food, beverages, nutritional supplements and cosmetic products that include hemp seed oil or CBD.

American Industrial Demand: Hemp fiber and its uses for construction, animal feed, manufacturing, biofuel, fiber for fabric and clothing, alcoholic beverages, rope, pulp, and paper.

Continental breakfast and lunch are included. Admission prices start at \$175 and seats can be purchased at www.hempbootcamps.com.
