

American Bullion Releases Its Updated "Gold IRA 2020" Infographic

The Gold IRA, a secure way to protect your nest egg is explained.

LOS ANGELES, CA, USA, February 24, 2020 /EINPresswire.com/ -- American Bullion is proud to announce the launch of its Gold IRA 2020 Infographic. Investors are invited to examine the facts about Gold! In spite of current satisfaction with the stock market, this new and helpful infographic displays the factual results about the profitability of gold since the beginning of the new millennium, compared to the dollar, DJIA, S&P 500, and NASDAQ. In addition, it explains the types of qualified plans that can be converted into a Gold IRA, as well as the IRS-approved precious metals and specific coins and products that can be included. And most importantly, it explains the quick, simple and proven process that American Bullion pioneered, in order to make rolling over a qualified retirement plan into a Gold IRA, as easy as 1 - 2 - 3!

This special infographic displays how gold has outperformed every other investment index and yet, is still substantially below previous highs. Meanwhile, the stock market is reaching the end of one of the longest bull runs in history, the global economy is entering a recession, and economic ramifications from the coronavirus are just beginning to wreak havoc on just about every market sector. History shows that during tumultuous economic times, gold is the best safe haven asset to protect portfolios, families, and legacies.

[Learning](#) is the first step toward securing your financial future. Gold and other precious metals are one of the few durable assets to qualify as a "universal currency" for thousands of years. The goal of a Gold IRA is not to predict the future, but rather to prepare for it! A Gold IRA is not the exclusive instrument to obtain financial security, but it should be an integral part of any successful investment portfolio. Learn about the advantages of a Gold IRA from the industry leader. Don't wait until the music stops! American Bullion is prepared to guide you through the investment maze and protect your hard earned money. Today's market conditions are more dangerous than what we saw in 2008. Don't become the victim of a market collapse and don't just survive when it happens. THRIVE! All the necessary information is a click away.
