Tips to Save Money on Your Renovation by Dominique and Greg Nelson

“

I love construction so I'm always staying on top of the latest in the industry. It's a pleasure to answer these questions and this video series is a fun way to share my knowledge with others,"
Greg Nelson, Building Contractor, Co-Owner and President

"We get calls from people every day asking tons of questions about the process of building a new custom home or doing a large remodel or addition project. To help these people and the myriad of others across the nation also interested in residential construction, we thought it would be a good idea to create this YouTube video series," said Dominique Nelson, co-owner of Nelson Construction and Renovations.

There are currently 2 episodes in the series with many more to come. The first episode is "Things You Need to Know When Renovating Your House in Florida." Renovating in Florida is not like construction in the rest of the country. In this video the hosts share how to avoid common pitfalls

when renovating a house in an area notorious for hurricanes, termites and beating sun, as well as other important tips for homeowners undergoing a renovation in the Sunshine State.

The second and latest episode is "[Tips to Save Money on Your Renovation](#)." Greg and Dominique share 6 tips to save money on a home renovation - whether hiring a contractor or doing a DIY project. From construction to design, learn how to save thousands of dollars when renovating.

"I'm often surprised by all the questions I get from homeowners because I've done this every day for years and it's just second nature to me. I love construction so I'm always staying on top of the latest in the industry. It's a pleasure to answer these questions and this video series is a fun way to share my knowledge with others," said Greg Nelson, Building Contractor and co-owner of

Nelson Construction and Renovations.

There is a long list of topics to cover, so stay tuned for all the new episodes to come.
