

Red Wagon Properties Offers Property Investors the Highest Returns with the Best Property Management Service Available

Property management company based in San Antonio, TX, Red Wagon Properties is uniquely adept at handling the complexities of real estate asset management.

SAN ANTONIO, TEXAS, UNITED STATES, February 26, 2020 /EINPresswire.com/ -- Real estate investors and homeowners looking for a full-service property management need look no further than Red Wagon Properties.

A full-service [property management company in San Antonio, TX](#), Red Wagon Properties is uniquely adept at handling the complexities of real estate asset management for one simple price. The company's policy of full transparency means property owners can rely on their carefully crafted financial plans, secure in knowing they will never be hit with hidden or extra fees.

Well established with a large portfolio of properties under management, Red Wagon Properties has targeted 2020 for aggressive growth. This means the company is eagerly reaching out to both homeowners and investors holding single-family-residential property who are tired of the uncertainties and hassles of either their current property management companies or self-management.

The message is simple: Red Wagon Properties possesses both the market awareness and the management sophistication to produce higher revenues from a wide variety of residential properties than most owners are currently realizing.

One reason is that Red Wagon Properties concentrates entirely on property management, with no interest or effort diverted to the demanding requirements of soliciting the market for new property sales listings. Of course, the company will handle a property sale, as necessary, but only for its current property management clients.

This leaves the team with much more time to focus on and prioritize the needs of property owners seeking to keep their homes occupied with high quality, desirable tenants paying top market rates.

Red Wagon Properties' depth of understanding and market sophistication arises from its talented staff, the majority of whom are licensed real estate agents, including accountants, maintenance coordinators, leasing coordinators, marketing agents, leasing agents, acquisitions specialists, and property managers.

These professionals treat each home under management as their own and offers a wide range of property management services to fit the needs of each individual investor, landlord or home owner. They are adept at tailoring their services to ensure that every investor receives the exact portfolio of services needed to maximize results for each of their properties.

Red Wagon Properties' available services include:

- Marketing
- Maintenance
- Inspections
- Tenant Screening
- Electronic Accounting
- Property Evaluation
- Security Deposits
- Lease Preparation

and much more.

The company serves the geographic areas in San Antonio North of HWY 90, South of Boerne and New Braunfels, East and West from Randolph AFB to the Sea World/Alamo Ranch area. This includes all of: Alamo Heights, Castle Hills, Schertz, Cibolo, Boerne, Leon Valley, Leon Springs, Grey Forest, Hill Country Village, Hollywood Park, Converse, Olmos Park, and Shavano Park.

Although profits are paramount, Red Wagon Properties understands that community-building is also important. That's why the company makes monthly donations to local charities and is also helping to build a school for underprivileged children in Belize.

This helps explain why Red Wagon Properties became 2019's "most often referred" [San Antonio property management company](#).
