

LANDRY et associés acquies NexuWeb – fraud prevention and e-commerce expert

LANDRY et associés completed the acquisition of NexuWeb, an e-commerce security and development services firm based in Montreal, Quebec.

MONTREAL, QUEBEC, CANADA, February 26, 2020 /EINPresswire.com/ -- [LANDRY et associés](#) completed the acquisition of [NexuWeb](#), an e-commerce security and development services firm based in Montreal, Quebec. With expertise in credit card bank fraud and cryptocurrencies with over \$1.5 million in fraud detection, NexuWeb adds high-quality anti-fraud services to LANDRY et associés' existing portfolio.

“This transaction is a unique opportunity for LANDRY et associés to become a leader in the Canadian market in fraud prevention and protection of cryptocurrency transactions, said Claude M. Landry, President and Founder of LANDRY et associés, “Today’s announcement underlines our commitment to an industry that has highly attractive growth opportunities across Canada and the world. I believe that the benefits brought by LANDRY et associés’ technical and operational expertise, combined with NexuWeb’s unique infrastructure will enable us to enhance our position across a rapidly growing market”.

“

The company’s values, culture and vision are very much aligned with those of NexuWeb’s and we look forward to this new and exciting chapter.”

Bertrand David, Co-Founder of NexuWeb

Founded in 2013 by Bertrand David and Lavrenti Rogoff, NexuWeb offers a full range of services tailored for e-commerce, from infrastructure security to content delivery acceleration, as well as fraud prevention and cryptocurrencies, helping small and medium-sized enterprises develop their e businesses.

“We are thrilled to join LANDRY et associés, said Bertrand David, Co-Founder of NexuWeb. “The company’s values, culture and vision are very much aligned with those of NexuWeb’s and we look forward to this new and exciting chapter.”

About LANDRY et associés
