

Condo Manager announces updates to its unit sale module

Condo Manager, a HOA management software company, has made updates to its Unit Sale process to assist its customers

CHARLOTTE, NC, USA, March 3, 2020 /EINPresswire.com/ -- [HOA accounting software](#) is ever evolving and Condo Manager strives to provide the best user experience for their customers. To better their customers' unit sales process, they have made updates to their unit sale module. Users are now able to print welcome kits and statements automatically when processing the sale transaction. These items are saved to the new owner's communications history and can be viewed or reprinted at any time.
