

# Post-Conference Workshop Day Announced for Pre-Filled Syringes West Coast 2020

*Smi reports: There will be two half-day workshops hosted by UserWise and Abbott Diagnostics after Pre-Filled Syringes West Coast 2020*

SAN DIEGO, CA, USA, February 28, 2020 /EINPresswire.com/ -- The 5th annual [Pre-Filled Syringes West Coast](#) conference will convene in San Diego, CA on the 15th-16th June 2020 to explore key areas within the field such as: new technologies and innovations in device design, advances in human factors for combination products, key regulatory insights with industry and FDA representation, process development considerations, and design controls and risk management for Pre-Filled Syringes.

Over the two-day event, delegates will have the chance to meet and network with Global Product Managers, Senior PFS Engineers, Device Testing Managers, Heads of Late-Stage PFS Development and many more.

Interested parties can register online; an early bird saving of \$400 will be applied to bookings made before February 28th 2020: [www.prefilled-syringes-westcoast.com/einpr2](http://www.prefilled-syringes-westcoast.com/einpr2)

This year, the event will also host a post-conference workshop day on the 17th of June 2020 which will feature two half-day workshops:

1) "Connected Devices and Digital Health: How to Navigate the U.S. FDA Usability Engineering Requirements" hosted by Shannon Clarke, Principal, UserWise:

- Connected devices and digital Health - Current and future Applications
- Overview of Applicable U.S. FDA Usability Engineering Requirements & Regulatory Requirements for Connected devices and digital Health
- Review Unique Usability Engineering Considerations Related to Connected Devices
- Q&A

2) "Postmarket Safety Reporting: The Current Regulatory Environment with a Global Impact" hosted by Khaudeja Bano, Senior. Medical Director, Abbott Diagnostics:

- Introductory session
- Case Study introduction and preliminary discussion
- An interactive look at the two case studies
- Open Q&A

The event brochure with the full agenda and speaker line-up is available to download from the website: [www.prefilled-syringes-westcoast.com/einpr2](http://www.prefilled-syringes-westcoast.com/einpr2)
