One of more than 900 CEOs that have come together for [CEO Action for Diversity & Inclusion™](https://www.ceoaction.com), Madhukar Govindaraju, Founder & CEO of Numly™, Inc., is committing himself and Numly™ to advance diversity and inclusion in the workplace.

By signing on to this commitment, Numly™ is pledging to take action to cultivate a workplace where diverse perspectives and experiences are welcomed and respected and where employees feel encouraged to discuss diversity and inclusion. The collective of more than 900 signatories have already shared more than 700 best known actions, exchanging tangible learning opportunities and creating collaborative conversations via the initiative's unified hub, CEOAction.com.

Madhukar Govindaraju says, "At Numly™, it is our mission to help companies foster a culture of diversity, equity and inclusivity. Though typically, we view diversity as a representation of fairness and protection to all, regardless of gender, race, religion, ethnicity, or sexual orientation, I recognize and appreciate that Millennials define Diversity and Inclusion differently. Millennials believe in Cognitive Diversity, a blending of different backgrounds, experiences, and perspectives within a team. Through the core values of our company, it is our endeavor to also support Women, Millennials and Neurodiverse individuals and to develop collaborative work environments that drive a positive impact on businesses."

Organizations joining the pledge are taking a step towards effecting positive change. A diverse and inclusive workforce facilitates community, but also drives innovation and creativity. A recent study found that 85 percent of those surveyed reported that diversity is a key component to fostering innovation.

CEO Action for Diversity & Inclusion™ is cultivating a new type of ecosystem centered around collaboration and sharing. The actions, available via CEOAction.com, showcase real-life examples of the open and transparent conversations to cultivate more diverse and inclusive workplace

environments. The addition of new signatories expands the impact of this work beyond the office to communities and industries.

Numly™ is part of the fast-growing startup ecosystem in the US that employs a remote employee base distributed geographically across the world. By joining together, we hope to cultivate more diverse and inclusive workplaces in the HR tech industry.

The CEO Action for Diversity & Inclusion™ is led by a steering committee of CEOs and leaders from Accenture, BCG, Deloitte US, The Executive Leadership Council, EY, General Atlantic, KPMG, New York Life, Procter & Gamble, and PwC.
