

New world-class Canadian WordPress hosting packages

World-Class Canadian WordPress Hosting Packages

CALGARY, ALBERTA, CANADA, March 26, 2020 /EINPresswire.com/ -- World-Class [Canadian WordPress Hosting Packages](#)

Do you get the feeling that your web hosting provider isn't giving you value for money? Have you been using an old, clunky website that needs a makeover? Switch to Canadian [WordPress hosting](#) today and access the world's most popular platform for personal and business websites.

If you own a business that needs a responsive Canada website at an affordable rate, choose Hosted In Canada, a locally owned Calgary WP web hosting provider.

Secure Canadian WordPress Hosting
The secure WordPress hosting service in Canada has launched three packages—WP Personal, WP Enhanced, and WP Enterprise. The enhanced and enterprise packages allow you to host an unlimited number of websites with free SSL certificates and a plugin pack.

WordPress Hosting Options Canada

“

I have been with HostedinCanada for over 18 years now and they have always been easy to deal with and very attentive to my demands and needs. In the Internet business you need someone you can trust.”

Daryl Marsden

The new Canadian WordPress hosting packages are backed by a 99.9 percent uptime guarantee, one-click WP installation, cPanel controls, and free setup. All WP hosting includes access to 24/7/365 client support and a 30-day money-back guarantee. Get priority support to install plugins, configure security, and manage your site.

Hosted In Canada offers up to 30 GB of storage space and a free premium WordPress theme on purchases of their top-tier enterprise package. Web hosting provider Canada servers include server-side optimizations to improve loading speed and site performance. All WP hosting includes a lifetime free domain. Say goodbye to unresponsive web pages and sluggish loading speeds and enjoy your brand-new secure website.

WordPress Hosting Canada

Canadian web hosting leader

Security on all WordPress hosted websites includes secure intrusion detection systems, malware scanning, and web application firewalls to protect against malicious attacks. Canadian WordPress hosting is supported by a dedicated WP support team.

Choose from additional WordPress Hosting add-on services including pay-per-click (PPC) and search engine optimization (SEO) services. Hosted In Canada also offers local marketing services, SiteLock, and a website builder tool.

HOME HOSTING DOMAINS OUR SERVICES RESOURCES & TOOLS COMPANY SUPPORT

We offer the best WordPress hosting PACKAGE available on the market, guaranteed! I know this is a HUGE claim, but its fact. After securing your WordPress hosting package, what are the next major decision you need to make when building a WordPress website? You need three things:

- 1 An A-LIST of WordPress plugins that WORK and will help you grow your business, and make your life easy.
- 2 A WordPress theme that makes you look like the PRO you are.
- 3 Finally, a WordPress Professional you can actually TALK TO. Who's in Canada.
