

# Mold Inspection and Testing in San Marcos, CA Now Available from EZ Mold Inspections

*EZ Mold Inspections adds San Marcos, CA to its service area for mold inspection and mold testing services in San Diego County.*

SAN MARCOS, CA, UNITED STATES, March 4, 2020 /EINPresswire.com/ -- [EZ Mold Inspections](#) adds mold testing and [mold inspections in San Marcos, CA](#), expanding in the North County region of San Diego County. Residents of San Marcos, CA can now benefit from the company's decades of expertise and insights in real estate and mold inspections and testing. The company now serves six cities in San Diego County including Carlsbad, Escondido, Oceanside, Poway, San Diego, and San Marcos, CA.

EZ Mold Inspections is an independent, third party with no conflict of interest. The company only offers [mold inspection and testing services](#) and does not offer removal or remediation services. As a result, clients can have peace of mind knowing they will receive truthful, honest answers to determine whether their San Marcos, CA home has a mold problem. Homeowners can watch the company's video at <https://youtu.be/hEieC3QIels>

"We're excited to serve San Marcos residents with honest and ethical mold inspection and testing services," stated Robert Armstrong, owner and inspector of EZ Mold Inspections. "We bring honesty, integrity, and superior customer service for each and every client."

Mr. Armstrong is known for genuinely caring for his clients, providing honest answers, and practicing ethical business standards. Mr. Armstrong can also accurately interpret mold testing results while many mold inspectors cannot.

If you suspect a hidden mold problem, the Environmental Protection Agency (EPA) suggests hiring an experienced professional who will take precautions at potential sites of mold growth. The EPA also recommends hiring mold testing professionals like EZ Mold Inspections who have "specific experience in designing mold sampling protocols, sampling methods, and interpreting results."
