

# Interactive Pre-conference Workshop announced for Injectable Drug Delivery 2020

*Smi Reports: There will be a workshop surrounding 'Developing apps for Connected Drug Delivery' for Injectable Drug Delivery 2020*

LONDON, UNITED KINGDOM, March 10, 2020 /EINPresswire.com/ -- The [Injectable Drug Delivery conference](http://www.injectable-drug-delivery.com) will reconvene on the 13th and 14th May 2020 in London, UK for the third year running. As part of Europe's leading Injectable series, this year will comprise of peer-to-peer networking with Global Product Managers, Device Testing Managers, Senior Device Engineers, Heads of Device Development, Heads of Formulation and Drug Process Development, and many more.

The two-day event will explore all areas of developments within drug product formulation, where top industry figures will assess evolving regulatory environment of injectable drug delivery with industry and regulatory representatives presenting updates on current guidelines.

For interested parties, an early bird saving of £100 for bookings made by 31st March 2020 is available online. Register at [www.injectable-drug-delivery.com/einpr4](http://www.injectable-drug-delivery.com/einpr4)

Alongside the conference, there will also be an interactive half-day [Pre-Conference workshop held on 12th May 2020](#) led by Julian Dixon, Director of Human Factors, Team Consulting and Diane Aston-James, Head of Human Factors, Team Consulting on 'Developing apps for Connected drug delivery devices - a practical and integrated HF approach' covering:

- Development methods for 'human-like' systems
- Approaches to prototyping: designs as research tools
- Observational, simulated-use research

The workshop will involve the facilitators sharing their experience and insight on human factors (HF) specialists, of medical App development. Delegates will be given the chance to network with highly experienced industry experts this May.

The brochure with the full agenda and speaker line up is available online at [www.injectable-drug-delivery.com](http://www.injectable-drug-delivery.com)

The poster for the 'Injectable Drug Delivery 2020' conference features a close-up photograph of several medical syringes with blue plungers and needles, arranged diagonally. The text on the poster includes: 'SMi's 3rd annual conference on...' at the top right with the SMi logo; 'Injectable Drug Delivery' in large blue font; '13 - 14 May 2020 | London, UK' below the title; the website 'www.injectable-drug-delivery.com' in a blue bar; and 'Injectable Drug Delivery 2020' at the bottom.
