

Elite Management Services Launches New Homeowner Portal

Elite Management Services works to provide a better client experience.

DAYTON, OHIO, UNITED STATES, March 6, 2020 /EINPresswire.com/ -- Elite Management Services, a [community association management](#) company serving Ohio, Kentucky, Indiana, and West Virginia, has launched a new homeowner web portal. This new portal will allow Elite's homeowners to view their community's information and submit requests more quickly.

“My Boards and I are so excited that all homeowners are able to find out their balance, pay online, and submit requests 24/7,” said Julie Davison, an Elite Community Manager in [Dayton, Ohio](#). “Having a Homeowner Portal seriously revolutionizes the way we offer support to Communities.”

Homeowners in communities managed by Elite are now able to view and submit work orders, architectural requests, and violations any time they wish. These requests are delivered directly to Elite's customer service teams for review and response. The [HOA Management](#) industry is ever evolving, and this web portal update is Elite

Management Services' latest step in staying current.
