

Louisiana US Navy Veterans Lung Cancer Advocate Offers a Family of a Navy Veteran or Person with Lung Cancer in Louisiana Direct Access to the Lawyers at KVO to Discuss Compensation-Were They Exposed To Asbestos?

NEW ORLEANS, LA , USA, April 17, 2020 /EINPresswire.com/ -- The Louisiana US Navy Veterans Lung Cancer Advocate says, "Most Navy Veterans or people who now have lung cancer never get compensated if they also had heavy exposure to asbestos decades ago. Compensation for a person like this might exceed one hundred thousand dollars. The person we are trying to identify is over 60 years old-and even if they smoked cigarettes, they could still get compensated as we would be happy to discuss at 800-714-0303.

"We have endorsed the remarkable attorneys at the law firm of Karst von Oiste-KVO to ensure a Navy Veteran or person with lung cancer in Louisiana gets compensated-if this person also had heavy exposure to asbestos. The lawyers at the law firm of Karst von Oiste have helped people with asbestos exposure lung cancer and mesothelioma receive over a billion dollars in financial compensation and they work overtime for their clients. For direct access to the lawyers at Karst von Oiste please call 800-714-0303 anytime.

"Please don't avoid getting compensated if you now have lung cancer-and you were exposed to asbestos decades ago."
