Ice Cream and Frozen Desserts Market Indonesia 2022

## Description:-

Dairy ice cream is generally more popular in Indonesia than water ice cream. In addition, single portion ice cream is more commonly consumed, due to impulse purchases. As ice cream is not a necessity, families do not usually purchase take-home varieties, in addition to the difficulties of storing ice cream at home. Multiple brands under a single company is common, which also allows companies to maintain product variety and offers opportunities for new product development. For example, in 2017, U...
