

Litchfield Beach Ranked Ninth Best Beach In America By Tripadvisor

With an average rating of 5 stars, Tripadvisor reviewers raved about Litchfield's wide beaches, soft sand and privacy

GEORGETOWN, SC, US, March 10, 2020 /EINPresswire.com/ -- Tripadvisor, the world's largest travel platform, has unveiled its list of the top 25 United States beaches, and visitors to South Carolina's Hammock Coast will recognize the Palmetto State's highest ranked entry.

Tripadvisor ranked Litchfield Beach as America's ninth best beach. Litchfield offers travelers the Carolinas' most stunning stretch of coastline in a quiet setting that is ideal for family vacations. With an average rating of 5 stars, Tripadvisor reviewers raved about Litchfield's wide beaches, soft sand and privacy.

"Tripadvisor is the most trusted name in travel, so to have it rank Litchfield as America's ninth best beach is a tremendous honor," said Mark A. Stevens, director of tourism development for the Georgetown County Chamber of Commerce. "What makes the ranking so special is that it's derived from the opinions of vacationers. As a destination, our goal is to exceed the expectations of the people who choose to spend their vacation time with us, and Litchfield's place among the best beaches in the United States is affirmation of that effort."
