“

More organizations of all sizes across all verticals are gaining confidence with the security and privacy of cloud email services.”

Sara Radicati

The Radicati Group’s latest study, “Microsoft Office 365, Exchange Server and Outlook Market Analysis, 2020 - 2024” provides an in-depth analysis of the penetration of Microsoft Office 365, Hosted Exchange, on-premises Exchange Server, and Outlook email clients in the Messaging and Collaboration market.

The report provides detailed installed base, four-year growth forecasts, breakouts by region, and business size for Microsoft Office 365, Hosted Exchange, Microsoft Exchange Server, Microsoft Outlook, and Microsoft Outlook on the web.

According to the report, on-premises Microsoft Exchange Server deployments no longer account for the majority of worldwide Exchange mailboxes. Microsoft Office 365 is seeing strong adoption in the Cloud Business Email market, as more organizations of all sizes across all verticals gain confidence with the security and privacy of cloud services.
