military whistleblower James Holzrichter (Northrop Grumman), Opioid whistleblower Ms. Patricia Nixon (INSYS), Sexual Harassment whistleblower Ms. Katherine Kendall (Harvey Weinstein), Waterboarding whistleblower John Kiriakou (CIA), Hollywood actress Brittany Morgan (Sexual Harassment), attorney David Haron (unnecessary chemotherapy treatments by Dr. Fata), attorney Gloria Allred (Bill Cosby), Deep Throat attorney John O'Connor, and former federal prosecutors, FBI and NSA agents.

"Hopefully, with shows such as 'The Whistleblower,' CBS' 'Whistleblower,' and the podcast 'The Whistleblower Revolution' (with Heidi Weber), we can learn from these journeys and experiences, and progress together as a more civil and higher society," says Mychal Wilson, Esq.

"I would like to thank director/producer Steffanie Siebrand and post-production producer Jason Wissinger of Stormmaker Productions, Inc., producer and show booker Sutton Porter, and the production team at Illuminate Studios for the opportunity to create and really take the show to its next level in Seasons 5 and Seasons 6" says Mychal Wilson, Esq..

Mychal asserts "Fraud, waste, and abuse is a nonpartisan issue, and which is sometimes sadly at the expense of the American consumer, healthcare patient, and taxpayer."

"In today's evolving cultural climate, I want to give the public an insider's view into the risky, secret and potentially lucrative world known as 'whistleblowing,' a show which explores and examines the courage and integrity within us, and in some cases the potentially highly lucrative rewards received by those Davids fighting those Goliaths. And, to feature and applaud those individuals who help bring about justice for others which is sometimes at their own expense," says Mychal Wilson, Esq.

"While not offering legal advice, 'The Whistleblower' does provide examples of legal recourse for potential whistleblowers and victims, and resources for support for those who are being harassed, wrongfully terminated, and/or retaliated against by her or his employer. Been there, done that, as a former big pharma sales rep, so now I want to help those who may be facing similar hostile work environments," declares Mychal Wilson, Esq.
