

CBD Oil for Veterans: A Natural Treatment for Chronic Stress and Anxiety

Patriot Supreme is an American company giving back to its veterans and their families. Its CBD oil for veterans is a game-changing treatment for pain relief.

MESA, ARIZONA, UNITED STATES, March 13, 2020 /EINPresswire.com/ -- Patriot Supreme has manufactured an all-natural [CBD oil for veterans](#) that is THC-free and helps ease the stress, anxiety and other disorders experienced by veterans and non-veterans alike. CBD oil stimulates neurotransmitter systems and regenerates damaged neurons in the brain, which, together, fight against stress. Patriot Supreme's CBD oil tinctures are taken under the tongue and are absorbed into the body quickly, thus providing fast and effective relief. CBD oil is known to be able to slow and stop anxiety attacks as soon as they start.

Patriot Supreme, a socially responsible company, is proud to provide veterans with alternative pain relief for military-obtained injuries and disorders. Made by veterans for veterans, Patriot Supreme's [veteran owned CBD oil](#) is sourced from Certified Organic, GMO-Free Hemp, and is lab-tested and proven to have no THC. Hemp oil and medical marijuana affect the body's cannabinoid receptors. However, unlike marijuana, hemp oil does not contain any psychoactive compounds and therefore delivers pain relief without a high.

Justin Elenburg, owner and founder of Patriot Supreme, felt it was important that all veterans experience the healing power of [CBD oil for anxiety](#) after discovering it himself. "My wife and I began trialing CBD Oil. I took the tincture for fast relief, and my wife chose a topical cream," he said. "We QUICKLY became converts, realizing how the CBD Oil was able to help us deal with the stresses of everyday life, the chaos of managing multiple successful businesses, and easing the suffering from military injury. After having a very positive experience, we both knew this was something that NEEDED to be at least experienced by veterans."

Veterans are very pleased with Patriot Supreme's CBD oil to date. "Patriot Supreme is legit. I

suffer from PTSD and encounter anxiety attacks. When I begin to feel anxious, I ingest a dropper full, and shortly after, it begins to calm my nerves. Super excited about this product. And kudos for giving back. Much respect."

Patriot Supreme's THC-free CBD oil is specially formulated, US-made and delivers 85% active cannabinoid by weight in each dose.
