The flavors & fragrances market is expected to reach USD 31.38 Billion by 2026, according to a new report by Reports and Data. Accelerated growth in industrialization over the globe has led to the increase of extensive production of flavored or scented products such as soaps, household cleaners, processed food and beverages, detergents, personal care products, and oral hygiene products. Moreover, the increasing demand for natural ingredients across a massive number of consumers could encourage the application in the flavors and fragrances market.

Increasing approval of flavors in nutraceuticals, pharmaceuticals, and dietary supplements are also predicted to expand the market soon. Natural fragrances are supposed to be healthier, therapeutic, and safe. Manufacturers sometimes impose a green premium on products

produced using natural aromas. Growing awareness concerning health and wellness is expected to increase the adoption of natural flavor ingredients during the forecast period.

In market segmentation by manufacturers, the report covers the following companies-

The Key players in the Flavors & Fragrances Market include Symrise AG, Givaudan SA, Firmenich SA, Agilex Flavors & Fragrances, Inc., Kao corporation, International Flavors & Fragrances, Inc., ABedoukian Research, Inc., romatech SAS, ConAgra Foods, Frutaroom industries.
