*ultraHealth Agency Develops New Program for Hospitals to Staff Medical Professionals*

PASADENA , CALIFORNIA, UNITED STATES, March 17, 2020

/EINPresswire.com/ -- [ultraHealth Agency](#) has announced a set fee for the hiring of medical staff during this time of worldwide crisis. The Pasadena, California based company that focuses on elite staffing of medical professionals says that they realize the importance of staffing for hospitals and care facilities.

The Coronavirus disease has been a global pandemic and medical professionals face a global catastrophe and the need for more competent health care workers has increased. The disease attacks the respiratory system causing a build up of fluid in the lungs. Most cities across the United States are now instituting quarantine procedures to stop the spread of the Covid19.

"Above all we are here to help and although we do have a business to operate, we feel as if we can be of service to the community. It is our social responsibility to do God's work and help the best way we can. We realize the gravity of the situation and we need to do our best. We pray for the people that have been affected and we send our deepest condolences to those who have lost loved ones. " Dane Flanigan ultraHealth Agency CEO.
